

# SALSA

Gilruth Recreation Center

Johnson Space Center

[www.starport.jsc.nasa.gov](http://www.starport.jsc.nasa.gov)

**Instructor:** Rodolfo Gonzalez

**Class Dates:** May 21, 28, June 4, 11, 18 (Fri.)

**class:** Salsa Introduction & Intermediate

**time:** (Friday) 5:30 pm – 6:30 pm (Intermediate)  
(Friday) 7:00 pm – 8:00 pm (Intro)

**cost:** \$40/person - before or on Friday, May 7<sup>th</sup> (**pre- registration**)  
\$50/person - after Friday, May 7<sup>th</sup> (**registration**)

**Latin Dance:** This class covers the most popular Latin dances found at clubs and other social settings: Meringue, Batacha, Salsa, and maybe a little bit of Cha-Cha-Cha. Emphasis is on Salsa. For the first time student or for those that want a refresher course. You will go over basic steps with variations, and build them into sequences.

**Intermediate Class:** This class continues teaching salsa beyond that taught in the Latin class. This is a multi-level class where students are broken up into groups, based on class experience.
